It began as a junior player at Eastwood Golf Club where he played for 35 years, serving on the social committee as Chairman, assisting with the organising of dinner dances and various charity days. Whilst Eastwood is a large club with a very different structure to Mansfield, Phil gained valuable experiences from his time there.

Having worked in the Mansfield area and becoming familiar with the golf club and its members, Phil decided to join approximately 30 years ago. He soon discovered that the overall "feel" of the club was so much better than where my membership was at that time, and have made some good friends at Mansfield.

Having achieved the position of Technical Construction Supervisor in the telecommunications industry this gave Phil a good grounding in leading people and arranging different events for golf. This includes roles at Mansfield Golf Club, the North East District Golf Association and YSM Summer Pennant.

Phil has enjoyed supporting the club in their pennant in both summer and winter competitions and supported Brad Grant and then Kevin Jacobs as Vice-Captain last year to underline that support.
